EDUCATION

The University of Akron, Honors College — *Akron, OH*

B.S. Financial Management, Economics Minor — *Expected Dec 2028*

GPA: 3.95/4.00 | Dean's List (Fall 2025, Spring 2026)

EXPERIENCE

The Timken Company — Incoming Finance & Accounting Intern — *Summer 2027*

Canton, OH

Fleet Team, Inc. — Account Management Intern — *May 2026 - Aug 2026*

Independence, OH

- Identified **~$61,000** in client cost savings, reconciling **103 STR accounts** for billing accuracy and ensuring **~100 supplier MSAs/PRFs** reflected current negotiated rates.
- Replaced a slow, manual account-mapping process with **3 automated HTML tools** spanning **~2,200 accounts**, cutting mapping time from **~2 hours to ~20 seconds**.
- Engineered a **SQL query** bridging account, contact, and invoice data across **240 Salesforce accounts**, surfacing each customer's **two most senior contacts** on demand.
- Analyzed client maintenance cost data and designed a preventative-maintenance strategy for battery/charger servicing, shifting from infrequent high-cost repairs to scheduled service and cutting expenditures **16.3% (~$8,360)** over a six-month period.
- Built a RACI ownership matrix in Excel with automated severity/escalation logic across 4 departments, replacing constant follow-up emails and pings with a single reference point and cutting weekly info requests from **20+ to ~3.**

Mont Granite, Inc. — Summer Intern — *Jun - Aug 2023 | May - July 2025*

Solon, OH

- Identified an unaddressed support gap and independently built "Synthesis GPT," an internal AI assistant now used by **10+ staff**, cutting support delays **~80%**.
- Produced **50+ photorealistic renderings** deployed across **4 showrooms**, driving product storytelling and customer visualization during sales conversations.
- Trained **10+ members** of sales & design team on AI and rendering tools, enabling consistent usage across **8 locations**.

Speranza Resources Ltd. — Procurement/Buying Intern — *July 2024 (6 days)*

Espirito Santo, Brazil

- Secured **a 52% bundle price reduction ($13.50 → $6.50/sq ft)** by framing the deal around the supplier's incentive to offload slow-moving inventory for higher-margin stock, alongside QA spot-checks across multiple factories.

PROJECTS

Discounted Cash Flow Model — rohandhruv.com

- Built a full DCF Valuation Model with **adjustable growth, WACC, and terminal value assumptions**, personally developing all financial logic and inputs while directing implementation in Claude Code.

Interactive LRAS/AD Macroeconomics Graph — rohandhruv.com

- Built an interactive LRAS/AD visualization modeling **2 scenarios** (baseline vs. Strait of Hormuz shock) with real-time updates.

Portfolio Growth Simulator – rohandhruv.com

- Built an interactive portfolio growth simulator modeling starting investment, monthly contributions, time horizon, and stock/bond allocation, with bull/bear scenario toggles shifting average annual returns by **2.5 points**.

LEADERSHIP & ACTIVITIES

Applied Reasoning & Innovation Akron (ARIA) — Founder & President — *Aug 2026 - Present*

The University of Akron

- Grew founding cohort from **19 to 50+** members within first semester; built and staffed a 5-person exec board across events/programming, secretary, and campus relations functions.
- Established working relationships with the Management, Economics, Finance, and AI & Information Systems departments; brought in industry professionals as session speakers.

University of Akron Ambassadors — Ambassador — *Aug 2026 - Present*

The University of Akron Alumni Association

- Selected as 1 of 12 students (20% acceptance rate) to represent the university to alumni and stakeholders, driving alumni engagement programming and outreach.
